Tips for the first few years

- Think about early career awards – these may have year restrictions so plan for those first.
- Find your funding home – the sponsors which fund your area of research and creative activities.
 - Sign up for mailing lists. Talk to your program officer
- Talk to colleagues in your field/department, your department chair, and your Associate Dean for Research.

Additional Resources

- ORD webpage
 - Contact information
 - Pivot – Funding database access
 - Recorded trainings/slides
 - Opportunities to become a peer reviewer (agency links)
- ORD SharePoint (restricted access materials)
 - Sample proposals
 - Templates, checklists, resources
 - Strategic intelligence reports
 - Funding newsletters from aggregator services
 - Abstracts of awards for internal grants programs
